1. **Welcome and Introductions**
2. **Approval of Minutes for July 2012**
3. **Review Agenda**
4. **Comments from the Public – 15 minutes**

5. **Arterial and Collector Safety Program Status Update**

**Background:** In July Robin Lewis presented the results of the Network Screening process and identified several signalized and unsignalized intersections with high crash rankings. Each of these intersections went through a diagnosis, looking for crash patterns and identifying causation. Countermeasures have been identified for each including basic cost estimates and benefit-cost analysis. Robin will update TSAC about this work. The October TSAC meeting will focus on project ranking and prioritization.
